Description

MAP2 belongs to the microtubule-associated protein family. It is a major microtubule protein of the brain.

Application Notes

Titration of the anti-MAP2 antibody may be required due to differences in protocols and secondary/substrate sensitivity.

Immunogen

A portion of amino acids 1766-1796 from the human protein was used as the immunogen for this anti-MAP2 antibody.

Storage

Can be stored at 4°C for up to one month. For long-term, aliquot the anti-MAP2 antibody and store frozen at -20°C or colder. Avoid repeated freeze-thaw cycles.
