

HOXA3 Antibody (R30681)

Catalog No.	Formulation	Size
R30681	0.5mg/ml if reconstituted with 0.2ml sterile DI water	100 ug

[Bulk quote request](#)

Availability	1-3 business days
Species Reactivity	Human, Mouse, Rat
Format	Antigen affinity purified
Host	Rabbit
Clonality	Polyclonal (rabbit origin)
Isotype	Rabbit IgG
Purity	Antigen affinity
Buffer	Lyophilized from 1X PBS with 2.5% BSA and 0.025% sodium azide/thimerosal
UniProt	O43365
Applications	Western Blot : 0.5-1ug/ml IHC (FFPE) : 0.5-1ug/ml
Limitations	This HOXA3 antibody is available for research use only.

Western blot testing of human SW620 cell lysate with HOXA3 antibody. Predicted molecular weight ~46 kDa.

IHC testing of FFPE human pancreatic cancer tissue with HOXA3 antibody. HIER: steam section in pH6 citrate buffer for 20 min and allow to cool prior to staining.

Description

Homeobox A3 is a protein that in humans is encoded by the HOXA3 gene, which is also part of the A cluster on chromosome 7. The gene encodes a DNA-binding transcription factor which may regulate gene expression, morphogenesis, and differentiation. Its cytogenetic location is 7q15.2. In vertebrates, the genes encoding the class of transcription factors called homeobox genes are found in clusters named A, B, C, and D on four separate chromosomes. Expression of these proteins is spatially and temporally regulated during embryonic development. HOXA3 protein is able to complement Hoxd3 deficiency when expressed in the context of the Hoxd3 allele.

Application Notes

The stated application concentrations are suggested starting amounts. Titration of the HOXA3 antibody may be required due to differences in protocols and secondary/substrate sensitivity.

Immunogen

An amino acid sequence from the C-terminus of human HOXA3 (HHP SQGR IQEAPKLTHL) was used as the immunogen for this HOXA3 antibody (100% homologous in human, mouse and rat).

Storage

After reconstitution, the HOXA3 antibody can be stored for up to one month at 4°C. For long-term, aliquot and store at -20°C. Avoid repeated freezing and thawing.
