Description

Myotubularin-related protein 9 1cts as an adapter for myotubularin-related phosphatases. [UniProt]

Application Notes

The stated application concentrations are suggested starting points. Titration of the MTMR9 antibody may be required due to differences in protocols and secondary/substrate sensitivity.

Immunogen

A portion of amino acids 518-549 from the human protein was used as the immunogen for the MTMR9 antibody .
