

# Recombinant VEGFA Antibody [clone RM391] (R20407)

| Catalog No.  | Formulation  | Size   |
|--------------|--|--------|
| R20407-0.1ML | Antibody in PBS with 50% glycerol, 1% BSA and 0.09% sodium azide | 100 ul |

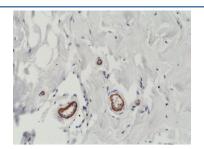

#### Recombinant RABBIT MONOCLONAL

## **Bulk quote request**

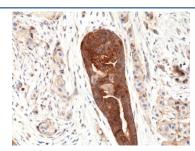

| Availability       | 1-3 business days   |
|--------------------|---|
| Species Reactivity | Human   |
| Format             | Purified  |
| Clonality          | Recombinant Rabbit Monoclonal                                       |
| Isotype            | Rabbit IgG  |
| Clone Name         | RM391   |
| Purity             | Protein A purified from animal origin-free supernatant              |
| UniProt            | P15692  |
| Localization       | Cytoplasmic, cell surface and extracellular (secreted)              |
| Applications       | Immunohistochemistry (FFPE): 1:100-1:200 Western Blot: 1:100-1:200  |
| Limitations        | This recombinant VEGFA antibody is available for research use only. |

Western blot testing of VEGF protein-expressing human HEK293 cell lysate with recombinant VEGFA antibody.

IHC staining of FFPE human breast tissue with recombinant VEGFA antibody at 1:200.

IHC staining of FFPE human breast cancer tissue with recombinant VEGFA antibody at 1:100.

## **Description**

This antibody reacts to human VEGF/VEGFA.

## **Application Notes**

The stated application concentrations are suggested starting points. Titration of the recombinant VEGFA antibody may be required due to differences in protocols and secondary/substrate sensitivity.

## **Immunogen**

A peptide corresponding to human VEGFA was used as the immunogen for the recombinant VEGFA antibody.

## **Storage**

Store the recombinant VEGFA antibody at -20oC.
